

Notice of Completion Fukuoka Branch Expansion Project

Fukuoka Branch Deputy General Manager Kozo Ogata

Thank you very much for your continued support.

I would like to inform you that the expansion work of the Fukuoka Branch has been completed.

This is a gift from everyone's patronage and we are very grateful.

We would also like to apologize for any inconvenience caused during the construction period.

While the automobile industry in Northern Kyushu and China is becoming active at this time, we would like to handle more products that meet the needs of each company and respond flexibly and quickly to our customers more than ever. We have expanded the sales office for the purpose of improving convenience.

It will be the largest sales branch in Japan, and all employees will continue to enhance and expand services to further progress and improve customer satisfaction.

We look forward to your continued support in the future

Best Regards,
